

## Extras

### Top 3 product characteristics

- Easy to retrofit waterfall lighting
- Pleasant warm-white light colour
- It is also ideal as terrace or pond edge lighting

### Recommendation

Combine Waterfall Illumination with Waterfall 30 and 60 or with the stands, Waterfall Set 30 or Waterfall Set 60 Solo.

### Waterfall 30 and 60

### Waterfall Set 30

### Waterfall Set 60 Solo

Set focussed accents at the edge of the pond or on the terrace, as well as between cobblestones, or for framing a wooden terrace.

## PRODUCT DETAILS

**Plastic carriage**  
The innovative plastic carriage in discrete grey enables easy retrofit of the waterfall lighting at any time.

**LED**  
The warm-white, slim line LEDs ensure pleasant lighting.

**Attractive water pattern**  
The light rail is placed at an optimal height in the waterfall and supports a harmonious water pattern.

The waterfall illumination emphasises the contours of the water pattern and ensures atmospheric lighting

# WATERFALL ILLUMINATION

LED waterfall lighting –  
for stylish light accents in the evening

- LED for waterfalls, for terrace pond edge decoration, in widths 30 and 60 cm
- Easy to retrofit thanks to innovative plastic carriage
- Pleasant warm-white light colour
